Current Employer,
      Current Job, Year-
      Prior Job, Year-Year
    Prior Employer,
      Prior Job, Year-Year

HONORS

Year   Award

RESEARCH PUBLICATIONS

Book Chapters

(a) Authors in order of appearance. Title of chapter. In *Book Title*, Names, Editors, Publisher, City, Year [follow style of your discipline].

Papers (appeared or accepted in refereed journals)

[This is for reverse-chronological order. To use chronological order, revers the order of the papers and use enumerate. Whichever order you choose, each paper's number should be permanent.]

2. Authors in order of appearance. Most recent paper title. To appear in *Journal Name*. Available at `arXiv#`.

1. Authors in order of appearance. First paper title. *Journal Name*, Vol (year), pagenumbers [follow style of your discipline].

Papers (in conference proceedings)

A) Authors in order of appearance. Title submitted paper. In *Proceedings of Conference name*, Names, Editors, Publisher, City, Year [follow style of your discipline].

Papers (under review by refereed journals)

   i) Authors in order of appearance. Title submitted paper. Available at `arXiv#/`

RESEARCH PRESENTATIONS

[Unlike paper, lectures do not need permanent numbers since they are not normally cited by number. The reason for the number is to save a reader who needs a count from counting.]

Invited Lectures(external)

1. lecture

Contributed Talks at Conferences

1. lecture

Poster presentations at conferences

1. Poster title, Conference name, Date

Talks at [Your University]

1. Talk title, Seminar name, Date
